

Team Setup Guide

Everyone on the team | WhatsApp Community + Ops Group | May 2026

WARNING: Old data. Check names and dollars today. Write what is TRUE.

Why the owner was away

Building: TMMT dashboard, AIXMOS app, message tools, and this shift system.

Many days and nights. Owner needs rest. Team runs the day in chat.

Owner reads: BLOCKED, big money, customer risk.

Where to post

Announcements = rules and top jobs (assistant)

Ops group = START and END every shift (everyone)

Customers = GoHighLevel, not ops chat

RULE: No shift post = did not happen.

No boss laptop

Your phone only. Airtable or GHL if you have login.
